Choose the right Power BI option for your needs

Content creation

Use the free Power BI Desktop tool to author reports and prepare, model, and create data visualizations.

Content publication

Collaborate with colleagues, model data, author content, share dashboards, publish reports, and perform ad-hoc analysis with a Power BI Pro license.

Content consumption

Read and interact with pre-published dashboards and reports with either a per-user Power BI Pro license or a Power BI Premium license for large-scale databases.
